

REMARKS

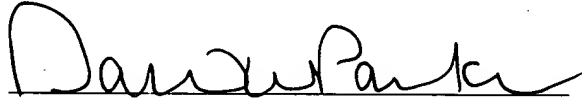

The present RCE is being filed, in part, to provide Applicants with additional time to complete a Terminal Disclaimer and documents associated therewith. Since the time this application was filed, two of the co-inventors have moved, and ownership of the application is pending a change. These factors have delayed the ability to obtain an executed Terminal Disclaimer. At this time it appears the executed documents should be available within two months. Accordingly, entry of this Request for Continued Examination and Request for 3-Month Limited Suspension of Action are respectfully requested.

In addition, Applicants are submitting an Information Disclosure Statement citing references for consideration by the Examiner.

The Commissioner is authorized to charge any additional fees due by way of this Response, or credit any overpayment, to our Deposit Account No. 19-1090.

Respectfully submitted,
